

Certainly, God has been faithful to this church. **By His hand, much has been accomplished.** However, much is left to do. So, we move ahead in **FAITH** and with **GREAT ANTICIPATION.**

Today, we begin the hard work – an **OBEDIENT, SACRIFICIAL EFFORT** – so that **God's plans** and **purposes** can be carried out. Plainly put, plans require tools. And our future facilities are nothing more than tools to carry out the plans we believe the Lord has set out for us.

We are launching into a partnership that will **shape our future** and position us to **better serve the Lake Norman Community.** I invite you to join us in the miracle of what God is doing in and through Grace. You can be a part of shaping the future and positioning Grace for greater effectiveness.

## HOW CAN I PRAY?

- Thank God for choosing to bless us and use us as a church family.
- Pray that Grace Covenant would continue to impact the LKN community for Christ.
- Pray for wisdom and guidance in the development of our facilities.
- Ask God to impress on each heart how to step out in faith and give sacrificially.
- Ask God to give our leaders wisdom and boldness.
- Pray for the miracle of multiplied provision.

EMBRACING  
THE FUTURE

## EMBRACING OUR FUTURE

**As we look at the history of Grace Covenant**

.....  
over the past eighty-one years, we have so much to celebrate. From the early days of Dr. and Mrs. Clanton starting under a tent, to a present Church family of over 3,000 people that gather to worship on three campuses.

WE HAVE SEEN THOUSANDS  
**COME TO FAITH IN CHRIST,**  
PEOPLE MIRACULOUSLY HEALED,  
**SERVED OUR COMMUNITY**  
IN MANY WAYS, DISCIPLED THOUSANDS,  
**EXPERIENCED**  
GOD'S MIRACULOUS PROVISION  
**& IMPACTED NATIONS.**

**God has graced us in amazing ways.**

As great as our past is, I believe **OUR FUTURE IS EVEN GREATER.** There is absolutely **NO LIMIT** to what God will do through a congregation who makes themselves available.
