## Seeding the Clouds

We can take proactive measures today that will produce desired outcomes tomorrow. Simply put, sow today what we want to see tomorrow.

“Do not be deceived: God cannot be mocked. A man reaps what he sows. The one who sows to please his sinful nature, from that nature will reap destruction; the one who sows to please the Spirit, from the Spirit will reap eternal life.” Galatians 6:7–8

### **How can we seed the clouds? How can we proactively live to present the opportunity for a better tomorrow?**

1. Humility catalyzes God’s \_\_\_\_\_. James 4:6
  - Humility is living dependent on God and out of that dependence freely serving others.
2. Generosity activates \_\_\_\_\_. Luke 6:38
  - As we choose to live generously with what God has blessed us with it opens the way for God to bless us in greater ways so we can be a blessing in greater ways.
3. Obedience sets the stage for \_\_\_\_\_ tomorrows.  
1 Samuel 15:22

- It is long obedience in the same direction that positions us to see what only God can do in our lives. Genesis 12:1–4
4. Prayer that is passionate and persistent opens the way for the \_\_\_\_\_. Matthew 7:7
    - You have to pray through to the \_\_\_\_\_. You can’t wish upon a star; rather, you have to seed the clouds with bold faithful prayers.

“Seeding the clouds is the sacred awareness that you’ve got one shot at this thing called life. All you’ve got is this moment—right here, right now.” Mark Batterson
