Transformed Through Worship

"And we all, who with unveiled faces contemplate the Lord's glory, are being transformed into his image with ever-increasing glory, which comes from the Lord, who is the Spirit."
—2 Corinthians 3:18 (NIV)

The fruit of our worship will be transformation, we begin to look less like "us" and more like God.

We must learn to position or posture ourselves before the Lord to open our hearts, minds, and spirits to TRANSFORMATION. It is not enough to enter a building and sing songs. Our intentions will be a determining factor for transformation. When we gather together for worship what are our intentions?

Worship in _____ to who God is.
(1 Chronicles 16:28-29)

1. Worship is not about _____, my preferences, or my feelings.
2. Worship is a _____ to who God is and NOT what He does.

- If our expression of worship is focused on WHAT He does it means that there are only specific times He is worthy.
- When our expression of worship is focused on WHO God is, we can then recognize He is always worthy.

Worship in _____ of who we are.
(Romans 12:1-2)

1. Worship is not about what I can _____ from God but rather what I am willingly to give to God.
2. Transformational worship only happens as: (Psalms 103:1)
 - We _____ choose to worship.
 - We _____ express our worship.

Answers: response; me; response; surrender; receive; internally; externally
